ANNEXURE "A"

PRINCE ALBERT MUNICIPALITY TARIFF GUIDELINE IN RESPECT OF MAGISTRATES COURT LITIGIOUS MATTERS (EXCLUDING COLLECTIONS / BULK MATTERS) HIGH COURT LITIGIOUS MATTERS, CERTAIN NON-LITIGIOUS MATTERS AND CONVEYANCING

BACKGROUND

Prince Albert Municipality seeks to ensure that the legal fees which it is charged by private attorneys are fair and reasonable. It is also the intention of the Municipality to ensure that a fair measure of consistency is achieved so that legal fees are charged at similar rates in appropriate matters and to eradicate the disparities in invoices from attorneys. Accordingly, the Municipality has adopted this guideline in order to ensure parity in attorneys' fees and to put an end to inappropriate charges.

FEE STRUCTURE

1. The Municipality shall brief attorneys on the basis of an appropriate hourly charge out rate ("the hourly rate") which will be charged by attorneys and therefore the fees shall be time-based. The hourly rate shall be agreed to between the Municipality and the relevant attorneys/law firm in respect of a particular matter at the commencement of the brief. The applicable hourly rate shall not be more than R1 500.00 (Incl. VAT). In exceptional cases depending on the complexity of the matter, the rate may be adjusted to a fee not exceeding R 2 500.00 (Incl. VAT) per hour and this will be determined by the Municipality (as represented by the Municipal Manager or his / her nominee) should the circumstances warrant it. Provided that the Municipal Manager or his/her nominee may negotiate a discounted rate in the event of allocating a number of matters to an attorney.

2. Generally, the attorney shall charge an hourly rate which will be agreed between the attorney and the Municipality (as represented by the Municipal Manger or his/her nominee) taking into account the number of years of experience after the admission of such attorney as an attorney of the High Court but subject to paragraph two (2) above. In agreeing upon determining the hourly rate, the following shall be taken into account:
 - a) the complexity, difficulty and/or the novelty of the matter and questions incidental to the matter;
 - b) the specialized knowledge and/or training required of the attorney (specialized knowledge includes, but shall not be limited to, local government law expertise,

- c) local government transactional expertise; local government legislative drafting; and/or any area of law which may be considered specialized when practiced within a local government context such as environmental law, labour law, planning law, constitutional law and administrative law);
 - d) the level of importance of the matter to the Municipality (strategic, high-level advice which justifies a higher rate as opposed to more generalist advice which would not);
 - e) the actual experience of seniority of the attorney;
 - f) where money or property is involved, its amount or value;
 - g) savings that the Municipality may make if an attorney is able to advise the Municipality (e.g., opinions and advice) without briefing counsel, or where he or she appears in matters in which counsel generally would be briefed; and
 - h) the urgency attached to the instruction.
3. An attorney shall generally charge an hourly rate as provided for in paragraph above, unless the attorney can, with the approval of the Municipality, justify an hourly rate which is higher, based on the factors and considerations listed in paragraph 3 above.
4. The hourly rate shall exclude VAT and disbursements, which shall be charged in addition to the hourly rate.

LUMP SUM FEES

This guide shall not prevent attorneys from entering into arrangements with the Municipality in terms of which a lump sum is charged. Such arrangements may be entered into any appropriate matter including, but not limited to, a matter in which the time-based fee structure is inappropriate or where the Municipality has a predetermined budget for legal fees for a particular project. Lump sum agreements may only be entered into if they constitute a real cost saving in respect of legal fees as compared to a time-based fee arrangement.

APPLICATION

This guideline shall apply to the following:

- a) Litigation in:
 - (i) the High Court;
 - (ii) court of similar status to the High Court;
 - (iii) the Magistrates Court in respect of matters other than collections of bulk matters; and;

- (iv) any other forum which the Municipality agrees shall fall within this category such as arbitration tribunals and independently chaired labour disputes.
- b) Opinion work and advice (including transactional advising)
- c) Drafting of documents for the Municipality, including but not limited to:
 - (i) agreements;
 - (ii) trust deeds, and any other similar foundational documents in respect of the establishment of municipal entities;
 - (iii) policies;
 - (iv) procedures;
 - (v) guidelines;
 - (vi) opinions and advice; and/or
 - (vii) by-laws.

CHANGE IN STATUS OF A MATTER

1. Should the nature of a matter develop into one which had not been anticipated by the Municipality and/or attorney briefed in such matter, then the attorney may, with the prior approval of the Municipality, increase the hourly rate to an appropriate one after having taken into account the factors listed in paragraph 3 above. Similarly, should a matter evolve into a relatively simple or straightforward one which does not justify the hourly rates agreed to at the inception of the matter, the Municipality may, with the agreement of the relevant attorney, reduce the hourly rate within the applicable band, provided that such reduction shall not be applied with retrospective effect.
2. A change in hourly rates will take place only in circumstances where it was not reasonable for the Municipality and/or the attorney to accurately gauge the factors listed in paragraph 3 at the time the instruction was given to the attorney.

DETAILED NARRATIVES

The Municipality needs sufficient information in order to assess whether a fee charged by an attorney is fair and reasonable. In this regard, the fee narration should stipulate time spent on research, appearance and consultations, drafting opinions, pleadings and other documents and other attendances.

DISBURSEMENTS

Disbursements shall be charged as follow:

ITEM	RATE
Telephone calls- incoming and outgoing	150% of Telkom and cellular charges
Telefax-incoming and outgoing	R5.00 per page
E-mails-incoming and outgoing	R5.00 per email

The attorney shall establish from the Counsel proposed to be briefed his or her hourly charge-out rate and/or Counsel's first day fees for an appearance and refreshers thereafter and such rates will need to be approved by the Municipality prior to Counsel being briefed.
